

**Computer getting slower? Crashing?  
Wish the Viruses & Pop-up Ads would go  
away? Have an old system lying around too  
slow for Windows? Want to learn more about  
Linux? Afraid to install it on your own?**

## **Come to our Linux Installfest!**

**Where?** Sinclair Community College, Rm. 4242, Bldg. 4

**When?** Saturday, Sept. 24, 2005 10:00AM – 4:00 PM

**Cost?** Free admission; \$1 for CDs & \$3 for DVDs

**Questions?** ([DLUG-contact@dma.org](mailto:DLUG-contact@dma.org))

**Bring your computer!** We'll have limited network hardware and power strips, but it's best to bring your own monitor, keyboard and mouse. We'll have several Linux distributions available for purchase, including **Fedora, KnoppMyth, Mepis, Ubuntu**, and others for a small charge, or you may bring your own.
