

**Computer getting slower? Crashing?
Wish the Viruses & Pop-up Ads would go away?
Have an old system lying around too slow for
Windows? Want to learn more about Linux?
Afraid to install it on your own? Want help
configuring your Linux or MythTV system or
Samba network? Just curious about Linux?**

Come to our Linux Installfest+

Where? Sinclair Community College, Rm. 4242, Bldg. 4

When? Saturday, June 3, 2006 10:00AM – 4:00 PM

Cost? Free admission; \$1 for CDs & \$3 for DVDs

Questions? (DLUG-contact@dma.org)

Bring your computer! We'll have limited network hardware and power strips, but it's best to bring your own monitor, keyboard and mouse. We'll have several Linux distributions available for purchase, including **Fedora**, **KnoppMyth**, **Mepis**, **Ubuntu**, and others for a small charge, or you may bring your own.
