

DMA Linux Installifest

When: Saturday, February 26, 2005 10:30am–5pm

Where: University of Dayton's McGinnis
Center, 301 Lowes St.

Why: Because we can, and the Tux is cool!

What: Bring your computer and we'll help you install Linux on it. Or bring in a Linux system with a problem that's got you perplexed. Or just come, ask questions and observe. If you've never installed Linux before, please read this first:
